**OBJECTION OF BMW GROUP TO DEBTORS' EIGHTH OMNIBUS MOTION
PURSUANT TO 11 U.S.C. § 365 TO REJECT CERTAIN EXECUTORY CONTRACTS
AND UNEXPIRED LEASES OF NONRESIDENTIAL REAL PROPERTY**

BMW Hybrid Technology Corp. ("BMW Group"), by its undersigned counsel, hereby files its objection to the Debtors' Eighth Omnibus Motion Pursuant to 11 U.S.C. § 365 to Reject Certain Executory Contracts and Unexpired Leases of Nonresidential Real Property [Doc. No. 4291] (the "Rejection Motion").

1. The Debtors seek to reject a "Sublease Agreement (Troy Technology Park)" with the BMW Group as identified as line item 4A in the Leases section of Exhibit A to the Rejection Motion.

2. The BMW Group is not a party to a "Sublease Agreement" with any of the Debtors.

3. The BMW Group objects to the Rejection Motion as the Debtors are attempting to reject a contract that does not exist.

Conclusion

WHEREFORE, the BMW Group respectfully requests that the Court enter an Order: (i) denying the rejection of the “Sublease Agreement (Troy Technology Park)” with the BMW Group; and (ii) granting BMW Group such other and further relief as is appropriate.
